

Change in the Professional business unit as of 20th February 2025

Martin Gössnitzer has decided to step down as Head of the business unit Professional with immediate effect. He will concentrate on managing the branch office in Vienna and lead four International Sales Manager. Additionally, Martin is still responsible for Wolf Laundry Ltd. in England and GMP in Italy.

Dominik Bayerbach takes over the responsibility for four International Sales Manager in addition to his role as Head of Sales Professional Switzerland und Co-Manager of Chemie AG.

Tom Marder will step in as Head of BU Professional ad interim, until the recruiting process for this position is successfully completed.

We would like to thank Martin for his commitment as Head of BU Professional and wish him and Dominik continued success!
