

## Schulthess is still at your service!

Dear customers,

Life is very chaotic at present. Wherever possible, we need to hold on to as much normality as we can. Schulthess leads the way!

Our production, services and deliveries are all continuing as usual. In other words: Schulthess will continue to deliver premium machines and keep all its appointments.

Laundry hygiene is particularly important in a crisis of this nature, so our customer service is still here and happy to help. Naturally, our employees act responsibly and mindfully in all contact with customers, maintaining highest hygiene standards and following all BAG recommendations. Our customer service team is happy to help you Mondays to Fridays from 8am to 5pm. Business customers can also contact us on weekends and public holidays, from 8am to 5pm, on the usual number: [0844 888 222](tel:0844888222).

If you have any questions or concerns, we'll be delighted to help. Contact us at [sales@schulthess.ch](mailto:sales@schulthess.ch).

Warm regards – and take care!
